

## **CHAMPIONSHIP WEBSITE GUIDELINES**

NCAA.com will host all championship websites for final round sites. The NCAA media coordination staff will provide a list of information that the host SID will need to provide for the site in question. Hosts are allowed to build a microsite that highlights local information (hotels, places to eat, things to do, etc). All content for these microsites, as well as preliminary or regional round hosts that would like to develop their own championship websites, should be approved through Durenka Robie (drobie@ncaa.org or 317/917-6222).
